

Dear friend,

We are delighted that you have expressed an interest in joining in membership at Hillview Community Church.

Here at Hillview, we don't see membership as primarily an administrative thing, but rather a very important, decisive acknowledgement of our unity in Christ and our family connectedness under God.

The primary focus of our understanding of membership is built around our Membership Covenant which can be found on the back of our notice sheet or online at <http://hillview.cc/membership>. This lays out six commitments which we make to God and to our fellow church members. Of course, we will stumble in our efforts here, so we regularly need the grace and help of God and the forgiveness of our church family. But we think these are six beautiful promises worth aspiring to. I hope you might agree!

If you're interested, I have preached a few sermons on church membership which you can find on the website. In particular, I preached a very practical message in Sept. 2013 which looked at why we even have such a thing as church membership; you can find that message [HERE](#). And there was also [a recent sermon](#) on the wonder of how we, in the church, are the family of God together.

So what happens now? The current process for joining in membership is as follows:

1. We ask everyone to complete the attached form. It's important to share that this form isn't intended to be a burden. It is simply to help us have a sense of your journey of faith so far, to give us some background for when we come to see you. Please feel free to keep your answers very short.

(If you would prefer the form in a Word document format, for filling in on a computer, please just email us and ask for this, and we'll email it to you.)

Once completed, please send your form back to us either by email or by post.

2. Once you get the forms to us, we'll inform the members of your application for membership, and we'll arrange for a couple of the elders to come and visit with you for an hour or so.

This gives us a chance to hear some of your story of faith in Jesus, and to consider together how best you might plug in to life at Hillview. We will also try and answer any questions you may have about Hillview; and, finally, we get the privilege of praying for you.

Our prayer, as a church, is that the Lord would "make our love increase and overflow for each other and for everyone else" (1 Thess. 3:12). We would love you to be part of that. So we look forward to hearing back from you!

If you have any questions at all, please don't hesitate to ask one of the elders.

With much love in Christ,

Martin J Clarke

CHURCH MEMBERSHIP

We're so glad that you're interested in joining Hillview as a member. This form is simply intended to help us get to know you better. Please don't worry if some of the answers are short. It's not a test!
